

Merit Badge Make-up Day

*Saturday, 8 August, 2015, Beaumont Scout Reservation
9:00 a.m. until 12:00 p.m.*

Our *St. Louis Eagle Scout Association* will once again sponsor **Merit Badge Make-Up Day** for those Scouts needing assistance in completing the remaining requirements for merit badges they began at summer camp.

Merit badge counselors representing every merit badge offered at regular summer camp (not specialty camps, including Eagle camp) will be on hand to assist your Scouts. This is a great opportunity for your Scouts to complete their partial merit badges. Registration is not required; however, please be on time and the **Scout must be in complete uniform (shirt, shorts, socks).**

Scouts in uniform should bring the following:

- ✓ Partial merit badge cards received at summer camp
- ✓ All written work and projects for those badges

Special Points of Concern:

- ✓ Equipment for archery, rifle and shotgun shooting will be provided, \$5 fee
- ✓ Due to the facilities, merit badge work for canoeing, fishing, fly fishing, kayaking, motor boating, rowing, and small boat sailing will be limited to oral and written requirements only.
- ✓ Merit Badge Counselors will assist Scouts in completing as many requirements as possible. It is important to note that Scouts needing more than three requirements may not be able to complete the merit badge at this event. All Scouts need to be prepared to meet all of the requirements needed to complete the merit badge.
- ✓ CPR/First Aid instruction will be held at 9:30 a.m. for those Scouts needing to earn the CPR Red Card. The CPR Red Card will help Scouts complete requirements for: Camping, Canoeing, First Aid, Rowing, and Swimming merit badges.

If you have questions please contact ESA Merit Badge Make-Up Day chairman at:
